Sure, I am available anytime except between 2 and 4. Do you have an updated version of the work plan/sow that you want me look at before we meet? thank

Pete,

Do you have some time tomorrow to touch base on the NCHGW OU1 PDI SOW and Work Plan?

I want to walk through my current thinking about the common work elements in the work plan before I go back to ORC with a revised SOW.

Should need about 30 minutes. I'm free anytime tomorrow.

Thanks,
Jen
